La tendenza comics e vintage con LUPIN THE THIRD, il ladro gentiluomo.
È dedicata alla clientela più esigente ed attenta alle tendenze contemporanee,
l'esclusiva collezione di superfici ceramiche ispirate al mitico LUPIN THE 3rd,
il ladro gentiluomo.

Nata dall'attenzione dell'azienda verso il mondo del fumetto,
del cartoon e del "tratto d'autore", soprattutto se d'ispirazione vintage,
elemento distintivo nella moda e nell'arredo anche della prossima stagione.

Cool, dalle linee e dai colori decisi, declinata in tre differenti decori,

la collezione coinvolge e ritrae tutta la banda:

oltre al mitico ladro gentiluomo,
protagonisti sono anche la splendida
e conturbante Fujiko (o Margot, in Italia),
i fidi compari Goemon con la sua katana,
l'abile pistolero Jigen, e l'immane quanto sfortunato ispettore Zenigata.

Dedicated to the most demanding customers who are attentive to modern trends, the exclusive collection of ceramic tiles is inspired by the legendary LUPIN THE 3rd, the gentleman thief. Born out of the company's attention to the world of comics, cartoons and "comic art", especially if vintage-inspired, it figures as a distinctive element in fashion and interior design for next season too. Cool, with decisive lines and colors, expressed in three different decors, the collection includes and portrays the entire gang: in addition to the legendary gentleman thief, other protagonists are Fujiko (or Margot, as she is known in Italy), trusted sidekicks Goemon with his katana and expert gunslinger Jigen, and the ever-present and luckless inspector Zenigata.
